

Christmas Stockings

The Salvation Army would love to provide your group with stockings to stuff for children and senior adults in your community. Once you stuff the stockings we will pick them up and distribute them.

When filling your stockings, we ask you follow these guidelines:

- No edibles
- No razors or other sharp objects
- Mark the header with a specific age range and gender and staple to top of stocking
- For children under 3, items must be marked age appropriate (For example, a stuffed animal can not have a tag 3+)
